

The Enquirer.

PUBLISHED EVERY WEDNESDAY BY
J. W. BOWEN,
EDITOR AND PROPRIETOR.

N. J. BOWERS,
RESIDENT DENTIST,
McARTHUR, OHIO.

No Business Done on Saturdays.

COME and tell us the news of your locality.

SEE the notice to bridge contractors in this paper.

IF you want anything in the printing or stationery line, come to the ENQUIRER office.

Those desiring Agricultural Reports for 1871, should call at the Auditor's office.

LEWIS C. DAY, Druggist, at Zaleski, lost about \$1,300 in Cincinnati last week.

A BEAUTIFUL little daughter arrived at the residence of Mr. and Mrs. O. T. GUNNING, of this town, a few days ago.

GILMAN, WARD & Co. are pleased to see a great quantity of water and ice in the Reservoir. It looks like business.

THE report of the Stock Sales which took place yesterday, Hon. A. J. SWAM, Auctioneer, will appear in next week's issue.

SOME rain has fallen this week, and the eight and ten inches of Jack Frost is becoming very soft in the ground.

ON New Year's eve, W. F. FELTON and Miss MARTHA MOORE, of this town, were married by Eld. G. W. PILCHER. Mr. FELTON has removed to his farm, southwest of town.

A. F. DRAKE, who has been absent for several months, and JOHN HULBERT, who has been absent almost four years, are at their homes, in this town, on a visit.

J. W. PORTER, an old friend and former resident of Vinton county, but now of Selma, Wayne county, Iowa, called upon us on New Year's day. He was visiting friends and relatives in this county.

THERE is nothing like styles. A new style of bonnet is now out. It is a cross between a locomotive smoke stack and a jelly cup. An early introduction into McArthur is looked for.

THEY raise big hogs down at Dundas. One of the inhabitants of that little railway village informs us that E. Q. TIMMS killed a hog of the Chester White variety, a few days ago, that weighed 647 lbs. net.

EDWARD QUINN, arrested for stabbing JOHN HAFERTY at Dundas, of which we spoke last week, was bound over in the sum of \$200 to await the action of the Grand Jury at the term of Court commencing February 11. He gave bail.

WE are pleased to say that the Commissioners, at their special session last Monday, appointed Judge RICHARD CRAIG Surveyor of Vinton county, to fill the vacancy caused by the departure of McDONALD LORRIDGE. The Judge will make an excellent Surveyor.

THE attention of contractors and builders is called to the notice of the Commissioners of Vinton county to contractors for receiving proposals for the erection of a building on the Infirmary farm, 1 1/2 miles north of town. This is a move in the right direction.

LAST Sunday morning, about 11 o'clock, a nice looking two-horse express arrived in our town from Jackson, Ohio; and we learn that the express was shamefully treated, soon after dark, on the same evening, about two hours before it departed. Has the devil and all his imps "come up from the regions below?"

THE McARTHUR ENQUIRER Job Printing Office, under the superintendence of DEANER MONAGUE, is now doing some magnificent specimens of job printing. The assortment of printing material is greater and more convenient than can be found in any other printing house in Ohio, outside of the large cities. Give us a call.

Who is "Tax-Payer?"

ED. ENQUIRER—Who is this that in the last number of the "Vinton Record," appears as the Newspaper Attorney of JARED B. RANDALL? It is no part of my official duty to try criminal cases out of Court, besides, the manifest impropriety of discussing this matter through the columns of a newspaper would have been seen at once by "Tax-payer," had he not been a fool, and incapable of seeing anything. But why try to palm himself off on the public as a "tax-payer?" If he had written over the signature of "Ass," he would have been as easily identified, and there would have been no question about his right to assume that animal's name. It would have been much more appropriate, for, although this class in McArthur may be less numerous than that, they are bolder, and more frequently write for the newspapers.

We are by no means satisfied that this man is a tax-payer. His having lied in almost every statement made in said article, we are inclined to discredit him when he says he is a tax-payer. On the contrary, we feel warranted in assuming that he is not a tax-payer! In assuming that such a fool as this article declares him to be, never did, and never will acquire any property to be taxed. We do not desire to enter into any controversy with this non-tax-payer. He is not the man to discuss anything with anybody. His article shows him to be without common education, without common decency, and without common sense.

A man that knows not the difference in meaning of the words "in" and "for," and says "notion," when he means "reason," is not the man to write articles for a newspaper. He has doubtless mistaken his calling; if he has skill, it would certainly appear to better advantage in attending a livery stable, than in writing articles for newspapers.

And now, Mr. Non-Tax-Payer, in concluding this, I would suggest that you come again next week; but come over your own proper signature, and not *coward-like, thief-like, assassin-like*, under false colors, to strike your feeble, clumsy and ill-directed blows in the dark; show that you have some manly feeling, if you are a *d-d fool*. But try again, at all events. You cannot do worse. You may indeed write a longer article, but you cannot write a more senseless one. You may indeed tell more lies, but not in the same space, nor can you tell balder ones.

Here, for the present, I will take leave of you and your graceless article of last week. You for the present to regard as a liar, a conceited simpleton, and a coward, who dares not write anything over his own signature for publication; your article, to regard as a weak, contemptible lying thing, that can injure no one, until the fool who penned it is identified, and then only him.

Beyond the Mississippi.—Thousands have already gone, and thousands more are turning their eyes towards new homes in the far West. To those going to Missouri, Kansas, Nebraska, Colorado, Utah, Wyoming, Nevada, Oregon or California, we recommend a cheap, safe, quick and direct route, via St. Louis, over the Missouri Pacific Railroad, which runs its fine Day Coaches and Pullman Sleepers from St. Louis to principal points in the West, without change. We believe that the Missouri Pacific Railroad has the best track and the finest and safest equipment of any line west of the Mississippi, and its connections with roads farther West are prompt and reliable. The Texas connection of this road is now completed, and passengers are offered a first-class, all-rail route from St. Louis to Texas, either over the Missouri, Kansas & Texas R. R. via Sedalia, or over the Atlantic & Pacific R. R. via Vinita. For maps, time tables, information as to rates, routes, &c., we refer our readers to S. H. Vinegar Bitters are not a vile Fancy Drink, made of Rye, Whiskey, and Spices and Bitter Liquors, doctored, spiced, and sweetened to please the taste, called "Tonic," "Appetizer," "Restorer," &c., that is the popular or drunkenness and ruin, but are a true Medicine, made from the native roots and herbs of California, free from all Alcoholic Stimulants. They are the Great Blood Purifier and a Life-Saving Principle, a Perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition, enriching it, refreshing and invigorating both mind and body. They are easy of administration, prompt in their action, certain in their results, safe and reliable in all forms of disease. No Person can take these Bitters according to directions, and maintain long health, provided their bowels are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

Dyspepsia or Indigestion. Headache, Pain in the Shoulders, Cough, Tightness of the Chest, Disordered Stomach, Sour Eructations of the Stomach, Belching in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia. In these complaints it has no equal, and one bottle will prove a better guarantee of its merits than a lengthy advertisement.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that a marked improvement is soon perceptible.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Biliousness, Remittent and Intermitting Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have been most successful. Such Diseases are caused by Vicious Blood, which is generally produced by derangement of the Digestive Organs.

They are a Gentle Purgative as well as a Tonic, possessing also the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver and Visceral Organs, and in Bilious Diseases.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Itchiness, Spots, Pimples, Pustules, Boils, Carbuncles, Ringworms, Scald Head, Sore Eyes, Erysipelas, Itch, Scurf, Discolorations of the Skin, Humors and Diseases of the Skin, whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vicious Blood whenever you find its impurities showing themselves in the form of Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

Grateful thousands proclaim VINEGAR BITTERS the most wonderful purgative that ever sustained the sinking system.

Pain, Tumor, and other Worms, lurking in the system of so many thousands, are effectively destroyed and removed. Save a distinguished physician: "It is scarcely too much to say that VINEGAR BITTERS have saved many a life from the grasp of disease, and have literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects."

Mechanical Diseases. Persons engaged in Paint and Mineral, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, will be subject to purities of the blood. To guard against this take a dose of VINEGAR BITTERS every day, once or twice a week as a Preventive.

Biliousness, Rheumatism and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, and Missouri, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. There are always more or less obstructions of the liver, a weakness and irritability of the stomach, and great torpor of the bowels, being clogged up with vitiated accumulations. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. WALKER'S VINEGAR BITTERS, as they will cleanse the bowels, and at the same time stimulate the liver, and the action of the liver, and generally restoring the healthy functions of the digestive organs.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Sorel Neck, Gout, Scrofulous Inflammations, Indolent Inflammations, Metastatic Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc., etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative power in the most obstinate and incurable cases.

Dr. Walker's California Vinegar Bitters are on all these cases in a similar manner. By purifying the blood they remove the cause, and by removing away the effects of the disease, they leave the system free from the affected parts receive health, and a permanent cure is effected.

The properties of Dr. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic and Carminative, Nutritive, Laxative, Diuretic, Sedative, Counter-Irritant, Sulfuric, Alterative, and Tonic.

The Aperient and mild Laxative properties of Dr. WALKER'S VINEGAR BITTERS are the best safeguard in all cases of eruptions and malignant sores, their balsamic, healing, and soothing properties protect the humors of the system. Their Sedative properties allay the nervous system, and soothe the inflamed parts, and their Diuretic properties act on the Kidneys, correcting and regulating the flow of urine. Their Anti-Bilious properties stimulate the liver, the action of bile, and its discharge through the biliary ducts, and are superior to all remedial agents for the cure of Bilious Fevers, Fever and Ague, and other Bilious Diseases.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fortified. The liver, the stomach, the bowels, the kidneys, and the nerves are rendered disease-proof by this great invigorant.

Directions.—Take of the Bitters on going to bed at night from a half to one and one-half wineglassful. Eat good nourishing food, such as beef steak, mutton chop, venison, roast beef, and vegetables, and take outdoor exercise. They are composed of purely vegetable ingredients, and contain no alcohol.
